## NIJ CERTIFIED 0101.04 (2005 INTERIM) LEVEL IIIA BALLISTIC VEST

### Overview

The Trooper C is a concealable vest that provides ballistic protection against bullets and fragments while worn under or over a uniform or shirt. A combination of ballistic materials provides multi-hit protection with minimal trauma effect for low profile threat situations. The ballistic panels are protected in a water-repellent, rip stop nylon cover and are easily removable. The outer carrier is made of a high quality machine washable polyester/cotton blend. An optional soft trauma plate insert can be placed in the front pocket for extra protection.
